Hanging Team AGM Report For Gordon Art Exhibition 2019

To ensure a successful exhibition it is as you must be aware so important to have a squad of really enthusiastic helpers which we can rely on to fill many slots.

We were really lucky that it being our First Gordon Art Exhibition that many did volunteer and it proved to be a very successful Exhibition with very few Hiccups.

From taking in the Art Works helping to hang and set out the work , Welcome visitors and Man the sales desk during the Exhibition, and of course help to return Unsold and Sold artwork.

In total we had to fill at least —72—slots

We tried in March 2019 to have Exhibiting artists sign up on- line for duties they were happy to help with. For numerous reasons this did not entirely work.

This year on the application forms for entering the Exhibition, Artists will be asked to put their names down for Welcome and Manning the Sales Table during the Exhibition for at least 1 sessions of approx 3 hrs.

It is envisaged that a sign up sheet will be available as Artists arrive with their work and for them to put their names down before handing in.

That leaves us looking for helpers; Accepting the art Work approx 6; Hanging 6 and of course Retuning the Work again approx 6.

At this moment in time not 100% sure how we will work it.

We will contact previous helpers and possibly also have an online sign up sheet for these tasks.

We are also thinking about having a get together of Volunteers / Artists prior to the Exhibition to explain what the different Tasks involve to ensure a smooth running Event.

I am aware the Exhibition is a good way off but it may help to get the ball rolling if we have a list of Happy Helpers !

We look forward to another Successful Gordon Art Exhibition in 2020
